**Subject: Limited Review Report: Quarter Ended 30<sup>th</sup> September 2015**

1. We have reviewed the accompanying statement of unaudited financial results of Bengal & Assam Company Limited (the Company) for the quarter ended 30<sup>th</sup> September 2015 ("the Statement") being submitted by the Company pursuant to the requirements of Clause 41 of the Listing Agreement with the Stock Exchanges except for the disclosures in Part II - Select Information referred to in para 4 below. We have also reviewed the Statement of Assets and Liabilities of the Company as on that date. This statement of quarterly and six months financial results has been prepared from interim financial statements which are the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the Accounting Standards specified under the Companies Act, 2013 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rule, 2014) and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement with the stock exchange, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. Further, we also report that we have traced the number of shares as well as percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of share pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of Listing Agreement with the Stock Exchange and the particulars relating to

investor complaints disclosed in Part II - Select Information for the Quarter ended 30/09/2015 of the statement, from the details furnished by the Registrars through Management.
