

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF DIVYASHREE COMPANY PRIVATE LIMITED**

Report on the Audit of Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **DIVYASHREE COMPANY PRIVATE LIMITED** ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon. We have obtained all other information prior to the date of this auditors' report. Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Ind-AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider, quantitative materiality and qualitative factors in (i) planning the scope of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies' (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-A statements on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable

2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

 - (iii) The Company did not have any amounts required to be transferred to the Investor Education and Protection Fund.
 - (iv)
 - (a) The Management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies),

including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- (v) The Company has not declared or paid dividend during the year, accordingly the provisions of section 123 of the Companies Act, 2013 are not applicable.
- (vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of accounts using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

DIVYASHREE COMPANY PRIVATE LIMITED

Notes forming part of the financial statement for the year ended 31st March 2023

1.1 Corporate Information

Divyashree Company Private Limited is a Private Company and is registered at Registrar of Companies, Delhi having registered office at Link House 3, Bahadur Shah Zafar Marg, New Delhi - 110002. It is involved in the business of renting of property. These financial statements were approved and adopted by board of directors of the Company in their meeting held on 23th May 2023.

1.2 First time adoption and summary of significant accounting policies followed by the Company

(i) Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time on accrual basis. The Financial Statements comply with IND AS notified by the Ministry of Corporate Affairs ("MCA"). The Company has consistently applied the accounting policies used in the preparation for all periods presented.

(ii) Basis of Preparation

The financial statements have been prepared in accordance with the Accounting Standards notified under the section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014, as amended and the Companies (Accounting Standards) Amendment Rules, 2016, other relevant provisions of the Act.

The financial statements correspond to the classification provisions contained in Ind AS-1 (Presentation of Financial Statements).

(iii) Basis of Measurement

The financial statements have been prepared on accrual basis and under the historical cost convention except for the items that have been measured at fair value as required by relevant IND AS.

(iv) Functional and Presentation Currency

The financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency and all values are rounded to the nearest lakh (INR 00,000), except when otherwise indicated.

(v) Fair value measurement

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

(vi) Current and Non- Current Classification

All Assets and Liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of activities of the Company and their realisation in cash and cash equivalent, the Company has determined its operating cycle as twelve months for the purpose of current and non current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(vii) Significant accounting judgements, estimates and assumptions:

The preparation of these financial statements requires management judgments, estimates and assumptions that affect the application of accounting policies, the accounting disclosures made and the reported amounts of assets, liabilities, income and expenses.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are made in the period, in which, the estimates are revised and in any future periods, effected pursuant to such revision.

1.3 Significant Accounting Policies

1.3.1 Property, plant and equipment and depreciation/amortisation

A. Property, Plant and Equipment

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

1.3.2 Cash and Cash Equivalents

Cash and Cash Equivalents includes cash on hand and balance with banks on current accounts.

1.3.3 Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

DIVYASHREE COMPANY PRIVATE LIMITED

Notes forming part of the financial statement for the year ended 31st March 2023

1 Financial Assets

Financial Assets includes Cash and Cash Equivalents, Investments and Other Financial Assets.

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Statement of Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial classification. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

The company derecognizes a financial assets when the contractual rights to the cash flows from the financial assets expire or it transfers the financial assets and the transfer qualifies for the derecognition under Ind AS 109.

The company assesses impairment based on the expected credit losses (ECL) model to all its financial assets measured at amortised cost.

2 Financial Liabilities

Financial liabilities include Other Current Financial Liabilities and Other Non-current Financial Liabilities.

All financial liabilities recognized initially at fair value, and in case of other payables, net of directly attributable transaction cost.

After initial recognition, financial liabilities are classified under one of the following two categories:

Financial liabilities at amortised cost: interest bearing loans and borrowings are measured at amortised cost using the Effective Interest Rate ("EIR") method.

Financial liabilities at fair value through profit or loss: Financial liabilities which are designated as such on initial recognition, or which are held for trading. Fair value gains / losses attributable to changes in own credit risk is recognised in OCI. These gains / losses are not subsequently transferred to Statement of Profit and Loss. All other changes in fair value of such liabilities are recognised in the Statement of Profit and Loss.

De-recognition of Financial Liability

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

1.3.4 Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

1.3.5 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past events, when no reliable estimate is possible:
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities & contingent assets are reviewed at each balance sheet date.

1.3.6 Revenue recognition

The Company's revenue is based on a comprehensive assessment model as set out in IND AS 115. The company identifies contract with the customer and its performance obligation under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligation. Revenue is measured at fair value of the consideration received or receivable.

(i) Lease Rent

Revenue from giving property on lease is recognised when it is reasonably certain that ultimate collection will be made from the lessee.

(iii) Other Income

Other Income include miscellaneous income and net unrealised gain on fair valuation of mutual fund investments. Any differences between the fair values of the investment in mutual funds classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains or fair value changes" under other income and if there is a net loss the same is disclosed under "Expenses", in the statement of profit and loss.

(iv) Interest Income

Interest income is recognized on time proportion basis using the effective interest method

1.3.7 Borrowing cost

The finance costs includes interest on financial liabilities measured at amortised cost. The interest on financial liabilities is calculated as per the effective interest method as per Ind AS 107.

1.3.8 Taxes on Income

a) Current Tax

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are applicable at the reporting date.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized under Other Comprehensive Income (OCI).

Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities.

1.3.9 Employee Benefits

Gratuity and Leave Encashment benefits are accounted on accrual basis

1.3.10 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.3.11 Standards issued but not yet effective

Ministry of Corporate Affairs (MCA), vide notification dated 31st March, 2023, has made the following amendments to Ind AS which are effective 1st April, 2023:

- a. Amendments to Ind AS 1, Presentation of Financial Statements where the companies are now required to disclose material accounting policies rather than their significant accounting policies.
- b. Amendments to Ind AS 8, Accounting policies, Changes in Accounting Estimates and Errors where the definition of 'change in account estimate' has been replaced by revised definition of 'accounting estimate'.
- c. Amendments to Ind AS 12, Income Taxes where the scope of Initial Recognition Exemption (IRE) has been narrowed down.

Based on preliminary assessment, the Company does not expect these amendments to have any significant impact on its standalone financial statements.

Fair Valuation Techniques:

The Company maintains policies and procedures to value Financial Assets & Financial Liabilities using the best and most relevant data available. The Fair Values of the Financial Assets and Liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company has disclosed financial instruments such as cash and cash equivalents, other financial assets, other non current financial liabilities and other current financial liability at carrying value because their carrying amounts are a reasonable approximation of the fair values due to their short term nature.

Fair value of Investment in Mutual Fund is based on NAV at the reporting date.

Fair Value hierarchy

All financial assets and liabilities for which fair value is measured in the financial statements are categorised within the fair value hierarchy, described as follows: -

Level 1 - Quoted prices in active markets.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly.

Level 3 - Inputs that are not based on observable market data.

The following table presents the fair value measurement hierarchy of financial assets, which have been measured subsequent to initial recognition at fair value as at 31st March, 2023 and 31st March 2022:

23 Financial risk management objectives and policies

The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including foreign currency risk, interest rate risk and commodity price risk), credit risk and liquidity risk.

Market Risk: Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly three types of risks: interest rate risk, currency risk and other price risk such as commodity price risk.

Credit Risk

Credit Risk arises from the possibility that counter party may not be able to settle their obligations as agreed. The Company is exposed to credit risk from its operating activities (primarily trade receivables). Credit risk arising from balances with banks is limited and there is no collateral held against these because the counter parties are banks and recognised financial institutions with high credit ratings. Credit Risk refers to the risk that a counterparty may default on its contractual obligations leading to a financial loss to the Company. Credit risk primarily arises from Other Financial Assets measured at amortised cost.

Liquidity Risk

Liquidity Risk: Liquidity risk is the risk, where the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.
